

KELDERMEESTER VERSAMELING

The Keldermeester Versameling Cellar Master Collection) comprises a range of distinctive boutique wines, which is the brainchild of Lanzerac's Cellar Master, Wynand Lategan. The range focuses on experimentation, both from a variety and terroir perspective, as well as challenging conventional winemaking techniques. The Keldermeester Versameling range defines handcrafted wines in very limited quantities.

PROF is the cornerstone of the KV range. This blend comprises 60% Pinot Noir and 40% Cinsaut. The inspiration for this wine is an effort to find out what Professor Abraham Perold had in mind when he created Pinotage by crossing Cinsaut and Pinot Noir in 1925. It was at Welgevallen (University of Stellenbosch research farm) that Prof Perold cultivated the first Pinotage vines. Prof Perold never had the opportunity to taste the first bottled wine made from this grape variety, and with the crafting of this wine Wynand Lategan tried to discover the purpose of Prof Perold's creation.

CELLAR MASTER'S COMMENTS

The PROF has a prevailing sense of lightness and freshness both on the nose and palate. The fruit spectrum is leaning mostly towards the fresher red berries and red fruits. A soft and delicate palate with an underlying complexity rounds this wine off seamlessly.
